 beautiful music, a gorgeous setting and some drinks and nibbles...

At least we can say that we have had summer weather this year, although the recent rains will have been welcomed by gardeners and farmers alike. It seems a long while ago we were setting up for the fete in cool damp weather but we were fortunate in the afternoon and the improved weather made for good attendance. Many thanks to all who contributed in any way and supported us on the day. It is our most significant fundraiser and we rely on a successful day to enable us to keep the church going for all to use. Our final total just exceeded last year at a little over £3,300.

Our local charity for the year to Easter was the local branch of the Parkinson's society in Williton and we raised over £250. This year the charity is the Quantock branch of the Royal British Legion – appropriate with the 100th anniversary of the ending of WW1 falling this year. The next collection will be at the Remembrance Sunday service but you can contribute any time up to next Easter.

We would like to improve the west end access and make the church more disabled and user friendly. There has been some initial work to improve the approach to the west door but the larger plans will be shared in due course once they have been discussed in more detail.
