

The first newsletter of 2017 and memories of winter are rapidly retreating! It is a time of some change with new people welcomed into the Parish and familiar faces departing. We have developed a welcome pack jointly with the parish Council and try and deliver it “face to face” to meet our new parishioners. We therefore keep an eye out for sold signs but if you hear of anyone moving in who has not received the local information please let us know – contacts overleaf.

Our Parish Church Council has had some changes as Carol Warren has moved away to be nearer family and Bob Lintott stepped down after 30+ years service. We thanked them both and they will be hard acts to follow however we have always welcomed new members so if you would like to know more then please get in touch.

The work on the restoration of the effigies is continuing although things have been a bit “quiet” over the winter to allow a lot of drying out. We will be sharing more news of this project over the year but do pop in to see how things are progressing.
