

As we prepare for Easter it does not seem that long ago since there was a very full church for Christmas Day – a record total of almost 100! We hope to see many of you with us again on Easter Sunday.

It has been a fairly quiet period since then – even more so as the snow caused us to cancel 2 services recently due to difficulty in accessing the church or various clergy unable to get safely to all the churches.

The restoration continues of the effigies – the first is complete and should be returned to its niche by late April. The other pair will require more analysis to decide what is best to do to help preserve them.

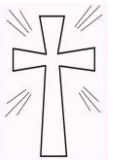

**EASTER DAY SERVICE Sunday 1<sup>st</sup> April**

**9.30am Communion**

With the rousing West Somerset Brass Band

Families welcome, children’s activities and refreshments to follow
